THIS YEAR'S ITM Award for customer service in the corporate hospitality sector was given to Teamworks Karting in Birmingham at last night's awards ceremony, for the second year running.

Teamworks Karting invested £1 million to create Birmingham's first indoor karting circuit, and hosts high-speed events from private parties through to corporate conferencing, teambuilding and networking events, within its state-of-the-art indoor circuit, fully licensed gallery bar and conference rooms for up to 150 delegates.

Receiving the award, Jo Quin, Head of Events at Teamworks, said "It is an honour to be selected for this award, and thanks go to

Teamworks Karting's extraordinary team for their efforts over the last year to continue to provide the highest quality of professionalism for all the clients we've hosted over the last 12 months."

Launched in 2004, the ITM Awards honour customer service in various sectors of corporate life, from call centres through to outsourcing.
