Jack's Grand Prix

**Forget the British Grand Prix!
It's all about the Jack FM
Grand Prix!**

**We're taking over Teamworks
Letchworth on Saturday 31st
July for our very own karting
charity Grand Prix.**

You could be racing against Jack's
Breakfast team: Fast & Furious
Folland, Hatchback Hubbard and
Eat Dust Easby.

To get on the grid, get a team together and fill in the form below!

Come and join us for a fast, fun afternoon in our La Mans style Grand Prix where team drivers will be able to swap when they want in their pit stops. Who'll lift Jack's Trophy?! Whether you win or not, you'll have a great time in Hertfordshire's newly refurbished indoor kart venue and raise money for Letchworth's Garden House Hospice at the same time!

Teamworks Letchworth have reopened the old Superkarts venue in Letchworth and given it a £250,000 facelift to create a state of the art entertainment centre with a fleet of the fastest indoor karts in the UK. There's just one thing missing. Some hapless Jack FM presenters thinking they're Lewis Hamilton. And.. you.

As it could get pretty competitive we're afraid you have to be over 16 to take part (besides, it'll be humiliating enough to lose, let alone to some toddlers) and you also have to be over 140cm tall. There'll be a full race briefing and their safety record is second to none.

T&C: Fill in the form below to register your interest. Submitting this form is not a guarantee of your race place. A member of the Jack FM team will be in touch to arrange

your place. It's £80 per team, with a maximum four members per team, minimum of two. All drivers must be over 16 of age and 140cm tall. Race time 3pm. Money raised will be donated to the Garden House Hospice. By registering your interest you agree to being contacted by Jack FM or Teamworks Karting by any of the details submitted.
