Thrill seekers will be delighted to hear that the Peterborough go karting circuit previously run by Peterborough Raceway has re-opened under the flag of the UK's only Karting PLC, Teamworks Karting.

To celebrate their launch, we have teamed up with them to offer readers a fantastic offer; buy one, get one free on karting. Why not have double the fun and enjoy 2 races for the price of 1? Or take a friend along for free and race each other for the fastest time?

Teamworks Karting have re-opened the track after a major refurbishment and the state of the art venue is now home to a fleet of brand new electric karts.

Jo Quin of Teamworks Karting Peterborough said 'Our Birmingham, Reading and Letchworth tracks venues already boast the fastest indoor karts in the UK, and we have brought these industry leading karts to Peterborough and they will blow people away with their

performance. Run with an electric motor meaning absolutely no fumes and pollution, these indoor karts run at the types of speed a twin engine pro-kart will race at.'

Teamworks Karting have also improved the karting offering to karting enthusiasts with more extensive competitive race formats and superb catering options for those who wish to take advantage of the spectator gallery and relax after their event.

Formats are designed for everyone, young and old, novice and experienced, children, adults, private groups, stag and hen parties and corporate days out. Teamworks Karting is open every day from 10 o'clock in the morning until 10pm and race prices start from just £21.95 per person.
