BIRMINGHAM'S only indoor kart circuit is now open and is located just minutes from the Bullring.

It boasts the fastest indoor karts in the UK on an exciting, challenging 750m indoor racetrack.

Forget what you've seen at 'oily rag' circuits. Teamworks Karting aims to improve every aspect of the karting experience. Facilities include spectator viewing galleries, spacious changing rooms, a licensed bar, quality catering plus conference and banqueting facilities for up to 150 people.

You can race as a group of 10 to 80 drivers, or as an individual. Younger racers are catered for with karts specially designed with seat and pedal

adjustments for drivers over 150cm tall.

You'll have a full instruction and safety briefing, and complete karting overalls and helmets are provided for every driver.
