

## ASSISTANT CIRCUIT MANAGER, NORTHAMPTON

This is a rare opportunity to join Teamworks Karting at management level.

**Teamworks Karting** operates five indoor kart circuits across the UK. Our [Northampton venue](#) includes karting for adults and children plus our new [vRacing](#) brand of state-of-the-art virtual racing simulators.

**You are** a dynamic, experienced manager, with an employment history of managing venues and people. Hospitality experience is helpful, but not essential as full training will be given. You will work with the current Circuit Manager, with responsibilities for managing a dedicated team of race crew, managing stock, cash handling and for driving local sales and increasing repeat booking rates.

Our venues are open 7 days a week, and some weekend working will be required as part of this role.

You will be supported by the Circuit Manager, an Area Manager and our head office team, who will provide you with full training and ongoing day-to-day support. Our expansion plans make this role a career opportunity leading toward more senior roles within the Group.

### **JOB DESCRIPTION:**

The Circuit Manager is responsible for the operation of the circuit including:

- Health & safety of staff & customers
- Meet & greet of customers
